Mayor and Town Council Town of Kenneth City 6000 54th Avenue North Kenneth City, Florida 33709

Dear Mayor and Council Members,

In accordance with Section 8.02 of the Town Charter, I herewith submit a proposed budget for Fiscal Year 2019-2020 (FY20). This proposed budget is balanced in all funds and presents a comprehensive plan for the Town's spending activities for the coming fiscal year.

The General Fund recommended expenses total \$2,816,795, which represents an approximately 3.3 percent increase over the current year. The good news in this year's General Fund is that our property tax-assessed value, similar to last year, is continuing to increase after years of decline. Additionally, the Town is becoming ever more efficient by hiring and retaining competent, skilled staff, and has innumerable capital projects that have either been completed, or are scheduled for completion in the years ahead. All of these accomplishments are working together to strengthen the Town and its operations, and foster improved quality of live for our residents, business owners and visitors.

During last year's budget process, the Town increased its mill levy, the first adjustment in over six years. Although neighboring municipalities made similar millage adjustments in the last seven years to offset inflation, the Town took a more conservative approach to maintaining its current mill levy, but borrowed from reserves (even if just on paper) to balance our budget. Unfortunately, due to continued inflation, the Town voted to increase its mill levy by 1.0 mill (4.7592 to 5.7592). However, a 4 to 1 Council vote resulted in the Town readjusting its mill levy to 5.3895.

In keeping with the Council's original plan to achieve a total millage rate of 5.7592, the following two actions are proposed, one within the upcoming budget year, and the second within the FY21 budget year. First, the currently proposed budget includes a small mill levy of .0479 mills, which effectively will raise the Town's current millage rate of 5.3895 to 5.4374 mills for FY20. This action will enable the Town to achieve the benefit of receiving the equivalent of a full 1.0 mill levy, or 5.7592 mills for the proposed tax year. This is due to the Pinellas County Tax Collector holding the funding originally generated by an additional 0.3218 mill levy last year in escrow, which will be released to the Town on

or after October 1, 2019. The second action will require the Town to increase its mill levy by 0.3218 in FY21, which will ultimately enable the Town to achieve the originally intended 5.7592 total mills.

The currently proposed FY20 Budget reflects an average increase in service costs of approximately 3.3%, which equates to approximately \$89,395 for a \$2.8M budget. All other revenue sources are stable, or rising slightly, which allows us to accurately make future projections. This is a significant milestone in terms of stabilizing our finances, and our future.

In the FY18 Budget, the Town completed its third year of administrative wage adjustments promulgated by an independent market analysis of Town wages in comparison to the Local Labor Market (LLM). As such, in harmony with wage increases being reflected in neighboring municipalities, the currently proposed FY20 budget includes a 3% general wage increase. Employees would be eligible for this adjustment upon completing their annual review(s) throughout the fiscal year. The currently proposed budget includes similar funding for commensurate step increases reflected in the 2018 negotiation of a 2-year Police Department contract.

The FY20 budget packet is a continuation of our plan to educate the elected body and the community. The original format has been amended slightly to be easier to read and understand. Throughout the last five years, the ultimate goal has been to increase your understanding of the Town's General Fund, and other key accounts. In addition to a comprehensive overview of the budget process, spreadsheets are provided that document updates to the Town's general fund, beautification (100) and capital improvement (300) funds.

The good news in all of this is that the Town is continually practicing sound budgeting practices, as evidenced by successful Town audits over the last four years, with the General Fund "socking away" approximately 6 months of funding that could be utilized to fund the Town's General Fund expenses, should the need occur. This satisfies the Florida League of Cities (FLC) recommendation of approximately 3 to 6 months of reserves be maintained in the General Fund.

This budget proposes to use \$240,092 of reserves to balance proposed expenses. In the last five years, this amount has gradually decreased annually to its current rate. It is important to note that use of reserves to balance proposed expenses very often only occurs on paper, as municipalities rarely spend 100% of every line item in their budgets. In our case, review of Town audits for the past four years reveals that our reserves have mostly, remained stable.

Based on the overall plan of the Town's forward progression, and due to a stable condition of the Town's fund balance, the proposed FY20 budget can be accomplished, as proposed. This budget will ultimately enable a continuation of the quality services that the residents and public have come to expect. We appreciate your continuing support of the programs and services provided to our residents, and thank you for the opportunity to serve the community.

Sincerely,

TOWN OF KENNETH CITY MISSION, VISION AND CORE VALUES

MISSION

As the Town of Kenneth City we focus every day on enriching the lives of our citizens by creating an exceptional environment and providing exemplary services that enable our community to thrive and prosper.

VISION

The Town of Kenneth City is a town that has long been committed to controlling its own destiny as a distinct, sustainable, and sovereign municipality. Our town's sense of community is rooted in citizens who respect each other; in racial and socioeconomic diversity; and in pedestrian orientation. We believe our history and setting guide our future.

CORE VALUES

To achieve our mission and vision, we will uphold the following values:

- Citizens are the heart of the Town of Kenneth City, so town government will treat all people fairly, with courtesy and respect.
- Open communication is essential to an engaged citizenry, so town government will seek and provide accurate, timely information and promote public discussion of important issues.
- The Town of Kenneth City must be a safe place to live, work, and raise a family, so the town will work in partnership with the community to prevent crime and protect lives, property, and the public realm.
- The Town of Kenneth City's historic mix of people in all income levels and ages is fundamental to our community, so town government will encourage opportunities, services, and infrastructure that allow people of all means to live and work here.
- Citizens entrust town government with the stewardship of public funds, so government will provide high quality services at a reasonable cost.
- The Town of Kenneth City's economic health is essential to its remaining a sustainable community, so town government will judiciously encourage and guide the location of new business opportunities.
- Citizens need to move easily throughout the town and county, so government will
 provide a variety of options, such as sidewalks, bike paths, greenways, connected
 streets, and transit.

TOWN OF KENNETH CITY MISSION, VISION AND CORE VALUES

CORE VALUES (CONTINUED)

- Citizens must live in a healthy environment, so town government will protect lakes, the Joe's Creek watershed, trees, air quality, and other elements of the town's ecology.
- The physical, social, and intellectual well-being of Kenneth City citizens is fundamental to our community, so town government will provide and encourage enjoyable, safe, and affordable recreational and cultural opportunities.
- The Town of Kenneth City exists in proximity to and is interdependent with other jurisdictions, so we strive for local, regional, state and federal cooperation.

TOWN OF KENNETH CITY BUDGET GUIDE FY 2019-2020

BUDGET GUIDE

A budget is a town's financial and operating plan for a period called a "Fiscal Year," and is mandated by Florida Statutes. The Town of Kenneth City's Fiscal Year begins October 1 and ends September 30. The Fiscal Year beginning October 1, 2019, is referred to as "Fiscal Year 2019-20" or sometimes as FY19/20. The Town Council is required to adopt the budget on or before September 30 each year for the upcoming Fiscal Year.

The Town cannot spend money unless appropriated within the budget. An appropriation is the legal approval given by the Town Council to the Town staff to spend money. The budget also contains an estimate of revenues to be received by the Town during the same time period. The legal authorization to collect revenues, such as the property tax and user fees, is established by State Statutes and the Town Charter, and is enacted by the Town Council by ordinance. The Town cannot borrow money from outside sources to operate, as does the Federal government. The Town can only borrow money for major capital projects, as in the purchase of land, major equipment, or the construction of infrastructure, buildings, etc.

The budget may be amended in two ways: 1) an informal budget transfer requested by department heads and approved by the Town Manager that transfers dollars between line items within a department, or from one department to another; and 2) a budget amendment which increases expenditures, or the spending level of a fund, as requested by the Town Manager and approved by the Town Council.

TOWN OF KENNETH CITY BUDGET PROCESS FY 2019-2020

HOW IS THE BUDGET PREPARED AND ADOPTED?

The budget process is a year-round activity. The FY 2019-20 Budget is adopted and becomes effective October 1, 2019. The next fiscal year's budget preparation process intensifies after receipt of the Town Audit, which this year occurred in June 2019. The audit serves as the basis for preparing the forthcoming fiscal year budget. The staff then begins to prepare the general and capital improvement fund spreadsheets for inclusion in the future budget draft.

The Town Charter requires that a draft budget be submitted to Town Council by August 1 of each year. During the month of August, the Town Council establishes a maximum proposed property tax rate to be levied for the new fiscal year. This rate is included in the TRIM (Truth in Millage-Notice of Proposed Property Tax) notices mailed to all property owners in August by the Pinellas County Property Appraiser. During the month of August, the Town Council also reviews the budget during special workshop sessions which are open to the public.

In the month of September, two public hearings are held regarding the proposed property tax and budget for the new fiscal year with the Town Council voting on the tax rate and proposed budget at both public hearings. At this time, resolutions are passed by the Town Council for the millage rate and proposed budget. On September 30 of each year, the existing fiscal year budget closes and the new fiscal year begins October 1st.

NOTE: This tax roll summary is provided in the same format as the annual June 1 tax roll esimates at the request of the taxing authorities, but is not the official tax roll recap. Some values on this report may not balance against the annual DR-489 or DR-403 Recap forms due to centrally assessed property and lands available for taxes. This report may reflect changes to the tax roll from certification to the report date.

When establishing budgets or analyzing the tax roll, please rely on the official tax roll recap forms (DR-489s/DR-403s), DR-420s/422s, and the certified tax roll database. Roll recaps and reports are available online at www.pcpao.org/pvr/

Expenditure Categories

Kenneth City's expenditure categories encompass the following:

<u>Personal Services:</u> Expenditures relating to personnel and associated costs (e.g.,

medical insurance, life insurance, pension, social security, workers'

compensation, etc.).

<u>Operating Expenses:</u> Various costs incurred in the operation of a unit of government, including utility charges, office supplies, travel, postage,

government, including utility charges, office supplies, travel, postage,

equipment rental, subscriptions, etc.

Capital: Expenditures for the acquisition of capital equipment, vehicles and

machinery. These items have a cost exceeding \$1,000.

Transfer: Payments from one department or fund to another, generally for

Capital Improvement Projects.

Fiscal Year (FY) Any consecutive twelve-month period designated as the official budget year,

and at the end of which a government determines its financial position and results of operation. The city's fiscal year begins on October 1 and ends the next

September 30.

Franchise Taxes/Fees Charges levied against a corporation or individual by a local government in

return for granting a privilege or permitting the use of public property.

Contributions made by a government to meet commitments or obligations for **Fringe Benefits**

employee fringe benefits. Included are the government's share of costs for

Social Security, retirement pension, medical, and life insurance plans.

Full Time Equivalent Term used to convert the part-time employee positions to equate to full-time

> positions by (FTE) dividing the total annual hours worked of the part-time employee by the total annual hours worked by the full-time employee.

Fund Accounting Accounts organized on the basis of funds and groups of accounts each of which

> is considered to be a separate reporting entity. The operations of each fund is accounted for by providing a separate set of self-balancing accounts which comprise its assets, liability, fund equity, revenues and expenditures. In governmental accounting, all funds are classified into eight generic fund types; General, Special Revenue, Debt Service, Capital Projects, Special Assessment,

Enterprise, Internal Service, and Trust & Agency.

GASB Governmental Accounting Standards Board is the source of generally accepted

accounting principles (GAAP) used by State and Local governments in the United

States.

Reserves

General Fund Fund used to account for resources, such as property taxes, which are not

designated or dedicated for a specific purpose.

General Fund Town Council policy requires that the unappropriated retained earnings of the

> General Fund be maintained. Rule of thumb is 6 – 12 months of operating expenses. Kenneth City has approximately nine (9) months in reserve currently.

Governmental Funds Funds primarily used to account for tax-supported serves (as distinguished from

> those services supported primarily from user charges). The three governmental fund types in the Town of Kenneth City are the general, special revenue, and

capital projects.

Grants Contributions or gifts of cash or other assets from another government to be

used or expended for a specific purpose, activity, or facility.

Homestead Exemption Pursuant to the Florida State Constitution, the first \$25,000 of assessed value of a home, which the owner occupies as principal residence, is exempt from

property tax.

Infrastructure The physical assets of a government (e.g., streets, water and sewer systems,

public buildings, parks, etc.).

Infrastructure Tax The one-cent sales tax in Pinellas County approved by voters for two back-to-

back ten-year periods beginning in 1990. It may be spent only on capital

infrastructure. It is also known as "Penny for Pinellas".

Interfund Transfers The movement of monies between funds of the same governmental entity.

Intergovernmental Revenues

A major revenue category that includes all revenues received from federal, state, and other local government sources in the form of grants, shared

revenues, and payment in lieu of taxes.

Line Item The smallest expenditure detail provided in department budgets. The line item

also is referred to as an "object", with numerical "object codes" used to identify

expenditures in the accounting system.

Millage The tax rate on real property which generates ad valorem revenue. The millage

rate is established annually and is based on \$1 per \$1,000 of taxable value.

Operating Budget Plan of current expenditures and the proposed means of financing them.

Operating expenditures include salaries, supplies, employee travel, postage,

current debt service and transfer. (See Expenditure Categories)

Ordinance A formal legislative enactment by the governing board of a municipality. If it is

not in conflict with any higher form of law, such as a state statute or constitutional provision, it has the full force and effect of law within the boundaries of the municipality to which it applies. The difference between an ordinance and a resolution is that the latter requires less legal formality and has a lower legal status. Ordinarily, the statutes or charter will specify or imply those

legislative actions which must be by ordinance and those which may be by

resolution.

Penny for Pinellas Florida State Sales Tax was increased from 6% to 7% in Pinellas County effective

in February 1990. Initially approved for ten years, it was approved by voters for another ten years and will remain in effect until 2010. This revenue may be used only for capital infrastructure and specific public safety vehicle expenditures. It

is also known as Infrastructure Tax.

Per Capita An average per person estimate of a given factor.

Property Tax A tax levied in proportion to the assessed value of real property (taxable land

and improvements thereon). Also known as ad valorem tax.

Resolution A special or temporary order of a legislative body; an order of a legislative body

requiring less legal formality than an ordinance or statute.

Revenue Income received by the town. These are receipts, which increase a fund's

financial resources. They exclude: debt issue proceeds, increases in liabilities and contributions of fund capital in Enterprise and Internal Services Funds.

Rolled-Back Rate The millage rate which when applied to the tax base, would generate prior year

tax revenues less allowance for new construction, additions, rehabilitative improvements increasing assessed value by at least 100%, annexations and

deletions.

Millage Rate Rate used in calculating taxes based upon the value of property, expresses in

mills per dollar of property value; a mill is equal to 0.1 percent.

Special Assessment Compulsory contributions collected from the owners of property benefited by

specific public improvements (paving, drainage, etc.) to defray costs of such improvements. Costs are apportioned according to the presumed relative

benefits to the property.

Surplus An excess of the assets of a fund over its liabilities and reserved equity.

Tax Compulsory charge levied by a government to finance services performed for

the common benefit.

Taxable Value The assessed value of property minus the homestead exemption and any other

exemptions which may be applicable.

Trend A systematic, measurable drift in a series of data, either positively or negatively,

over a sustained period of time.

TRIM Act The "Truth in Millage" Act, incorporated in Florida Statutes 200.065, requires

that property owners be notified, by mail, of the proposed property taxes for the next fiscal year based on "tentative" budgets approved by the City, County, School Board, and other taxing districts. The TRIM Act also includes specific requirements for newspaper advertisements of budget public hearings, and the

content and order of business of the hearings.

Unappropriated Retained Earnings the funds remaining from prior years which are available for

appropriation and expenditure in the current year; also referred to as Available

(Undesignated) Fund Balance.

Utility Tax A tax levied by cities on the consumers on various utilities such as electricity,

telephone, gas, water, etc.
