Public Comment:

Cindy Hite wanted to know why it was taking so long to get issues in her neighborhood cleaned up. Ben explained to her that it was a process that had to be followed and that some issues would be discussed at the special magistrate meeting coming up.

Sandy Gable also had concerns about specific issues in her neighborhood.

Michael Wimmens gave his opinion on possible hardships on people that are on fixed incomes. Also was wondering if there will be any chance of grandfathering in some situations. Also mentioned different neighborhoods having different distances to the road and/or sidewalk and how that would be handled.

John thanked the residents for their input and reminded them the committee is trying to make the best decisions for all the residents of Kenneth City.

Next two meetings have been scheduled. February 9th, and February 23rd at 6:30 pm.

Meeting was adjourned at 8:24
