

THE TOWN OF KENNETH CITY, FLORIDA
Council Meeting
PUBLIC NOTICE

The Council of the Town of Kenneth City will meet at Community Hall, located 4600 58th Street North, Kenneth City, Florida to discuss the agenda items of Town business listed at the time indicated below.

6:30 pm	January 12, 2022	Community Hall
---------	------------------	----------------

- A. Call to Order
- B. Invocation and Pledge of Allegiance
- C. Roll Call
- D. Award and Recognition: Officer Emely Cruz, *10 Years of Service*
- E. Consent Agenda
 - 1. December Meeting Minutes:
 - December 8th, 2021 *Council Meeting*
 - December 15th, 2021 *Special Workshop*

- F. Public Comment – formerly called Open Forum (limited to 3 minutes)

Please state your name and address for the record. Public participation is encouraged. If you are addressing the Council, step to the podium and state your name and address for the record.

Public comments can also be submitted by email to the Town Clerk at Town57@kennethcityfl.org, written comments must be received by 4pm on the day of the meeting, and will be read aloud during the meeting. Please limit your comments to 400 words as the comments are limited to three minutes.

- G. Action Agenda
 - 1. Resolution: Town Holidays
 - Exhibit 1. Resolution 2022-01
 - 2. Resolution: Complete Streets
 - Exhibit 2: Resolution 2022-02
- H. Department Reports (Public Safety, Public Works, Code Enforcement and Building)
 - Exhibit 3. KCPD stats
 - Exhibit 4. KC Building Stats
 - Exhibit 5. Fire Department Report
- I. Officer Reports (Town Clerk, Attorney and Town Manager)
 - Exhibit 6. Town Council Meeting Calendar for year 2022
- J. Mayor/Council Comments
- K. Adjournment

Any person who decides to appeal any decision of the Town Council with respect to any matter considered at this meeting will need a record of the proceedings and for such purposes may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based. The law does not require the Town Clerk to transcribe verbatim minutes; therefore, the applicant must make the necessary arrangements with a private reporting firm and bear the resulting expense. In accordance with the Americans with Disability Act and F.S. 286.26; any person with a disability requiring reasonable accommodation in order to participate in this meeting should call 727-498-8948 or fax a written request to 727-498-8841. www.kennethcityfl.org

THE TOWN OF KENNETH CITY, FLORIDA

Council Meeting Minutes
December 8, 2021

A. Call to Order

B. Invocation and Pledge of Allegiance

C. Roll Call

Councilmember Noble
Councilmember Cummings
Councilmember Roberts
Vice Mayor Zemaitis
Mayor Howell
Town Manager Cavalli
Attorney Mora

D. Police Chief Presentation of Awards

Chief Vazquez presented Officer Thomas Howsare and Officer Cody Farrington with awards in recognition of their outstanding performance in keeping the residents of Kenneth City safe.

- Ofc Howsare was given the *Tactical Excellence Award* for his adherence to the department's *use of force* policy that maintains the sanctify of life as a core value.
- Ofc Farrington was given the Award of Commendation for his use of exemplary investigative skills.

E. Consent Agenda

1. November 3rd, 2021 *Special Workshop*
2. November 17th, 2021 *Council Meeting*

Motion to approve consent agenda made by Councilmember Noble
Second was offered by Vice Mayor Zemaitis
All in favor
Motion to approve consent agenda passed

F. Public Comment

Councilmember Roberts apologized to the community for behaviors that were demonstrated at the last council meeting. She asked the mayor to take responsibility for “stopping that from taking place.”

Jensyn Schmidt, 5740 47th Ave N

Shared concern regarding a neighbor at 5700 47th Ave “running a UPS distribution site out of his house.” Manager Cavalli informed Schmidt and the council that our Code Enforcement Officer is investigating the report and will be in touch with Ms. Schmidt thereafter.

Ashley Torrey and Patrick, 6400 46th Ave N

Ms. Torrey shared concerns regarding the semi-tractor trailers parking overnight “sometimes 2 and half days” behind the Old Time Pottery. Patrick shared that it gets very loud and disturbs their sleep as the vehicles are running. Manager Cavalli shared that the town’s new Code Enforcement Officer is investigating the disturbance and that he will be contacted as soon as there is an update.

Paul Ashe, 6412 44th Ave N

Read a letter stating his resignation from the Town’s Zoning and Planning Board to the Town Mayor, Council, Manager and Attorney. Mr. Ashe stated his reasons were regarding his concern over the way a resident was treated at the November 17th Council Meeting.

Mayor Howell closed public comment.

G. Action Agenda

1. Duke Energy ROW. Ordinance No. 2021 656 *SECOND READING*
Atty Mora introduced ordinance No. 2021-656 which grants Duke Energy an electric utility *right of way* utilization franchise in the Town of Kenneth City. Manager Cavalli introduced representatives from Duke Energy. Vice-Mayor Zemaitis asked the representatives from Duke Energy on behalf of a resident what their protocol is when they need to get into someone’s backyard, but the gate is locked. Mr. Kris Tietig responded “What we’ll do is knock on the door and if no one is home, we’ll put a door-hanger on there with the inspector’s information, phone number and email so the resident can call them and schedule a time to come back.”

Manager Cavalli asked Mr. Tietig to explain the efforts they are making to improve communication. Mr. Tietig explained that Duke has a public engagement team that will be engaging with the Town whenever they are doing a project such as “pole replacements or any type of major work. Especially when we’re impacting traffic and things like that.” He said, “those

are all things I'm sure the Town wants to know so we're looking forward to do that."

Councilmember Cummings asked, "how do you replace a pole when you can't get a truck back there." Mr. Tietig said, "we have what's called *side-yard* equipment" and "we make it work."

Motion to approve Ordinance 2021-656 made by Councilmember Noble
Second was offered by Vice Mayor Zemaitis

Mayor Howell asked the Public for comments. No comments were made.

A roll call vote was taken.

Councilmember Noble	Yes
Councilmember Cummings	Yes
Councilmember Roberts	Yes
Vice Mayor Zemaitis	Yes
Mayor Howell	Yes

All in favor
Motion passed.

2. Town-Wide Maintenance of Sign Inventory

Manager Cavalli shared a presentation regarding the current state of the traffic signage in Kenneth City and an overview of the steps needed to update all of them (approximately 707) in a series of phases. Phase one will include regulatory, warning, and general guidance signs. Manager Cavalli stated this project will cost approximately \$100,000 compared to the previously projected budgeted amount of \$270,000. Phase one is scheduled to begin immediately with a possible completion of before the start of the new year. Manager Cavalli requested that the Town Council approve a \$50,000 expenditure to move forward with phase one.

There was a discussion regarding golf cart signage and regulations.

A motion to approve the \$50,000 expense for Town sign improvements made by Councilmember Noble. A Second was offered by Councilmember Roberts.

Mayor Howell asked the Public for comments.

Alma Dalvo, 4726 58th St. N

Ms. Dalvo commented on historical discussions and a study regarding placing a 4 way stop at 58th Street and 49th Ave.

Manager Cavalli said he is working with Pinellas County Transportation Management Group and that they will be revisiting this intersection to determine next steps.

Councilmember Noble commented that she has also witnessed cars speeding on 58th St and has felt unsafe at times due to people speeding and driving recklessly. There was a brief discussion.

A roll call vote was taken to approve the allocation of funds.

Councilmember Noble	Yes
Councilmember Cummings	Yes
Councilmember Roberts	Yes
Vice Mayor Zemaitis	Yes
Mayor Howell	Yes

All in favor. Motion was approved.

H. Department Reports

Chief Vasquez shared year-to-date stats with the council. Chief Vasquez commented briefly on the traffic sign project. He agreed that this is a critical component of improving traffic conditions. Chief Vasquez then provided a recap of November special events to include the Thanksgiving meals the PD and Winn Dixie provided to 6 families, The CASA fundraising efforts and the trainings KC PD officers attended.

I. Officer Reports

Manager Cavalli asked that everyone review the Fire Department and Building stats attached to the meeting agenda packet.

Manager Cavalli then debriefed the Town on current important happenings at Town Hall. He reported that the Town has been dealing with *ransomware* attack that has presented some challenges despite the damage being relatively small. He said this was a “triggering event” that will result in additional training for Town staff as well as exploring other data protective options possibly through our Microsoft contract. Manager Cavalli said he is also exploring state contract options to improve accessibility of our website. He will be presenting to the Town at a future date, what he believes are the best options available to us to improve the local accessibility and function of our Town website.

The VFW Memorial Project is currently pending a flag permit. Manager Cavalli stated that construction should start sometime in January.

Manager Cavalli stated that the traffic sign project will be soon and be completed before the start of the new year.

Manager Cavalli shared that he attended the “last meeting” of the Kenneth City Social Club and that he is interested in saving this club, “either in its current state or a modified version of it.”

Manager Cavalli provided updates regarding the Tree Lighting Ceremony that will occur on December 11th.

Manager Cavalli provided a few updates on our new Code Enforcement Officer. He reports he is very pleased with our new officer and believes he has the perfect disposition for this type of work as he has been working on getting to know residents, build relationships and seek out mentors.

Manager Cavalli’s final comments were regarding the Town’s Board of Adjustment. He reported that he will be coordinating with the Town Clerk soon to schedule their first meeting of the new year so that those pending projects can be closed out.

Attorney Mora had no report.

Town Clerk Cabezas had no report.

J. Mayor/Council Comments

Councilmember Noble commented on the previous discussions surrounding building a swimming pool in Town. She stated that she did some research and has concerns that this is not something the Town can afford and that she believes the current priority should be in cutting down costs, not incurring new ones. Councilmember Noble discussed what it costs the Town to run the Splashpad. She added that resident’s primary needs and wants are infrastructure related. She concluded that she would like to table further talks of a pool and that we focus on “the things that we have to do to get our Town up into compliance” and that we refrain from using Town resources to research “something we can’t afford.”

Vice Mayor Zemaitis commented that the Town desperately needs a proper balanced budget.

Councilmember Cummings said he would like to continue discussions about what we can do to save the Town money, stating he’s not a fan of the splashpad.

Mayor Howell commented that he believes the problem along 58th Street needs to be addressed expeditiously. The mayor asked Chief Vazquez to share any suggestions he might have. Chief Vazquez shared that “throughout the United States, every police department that I know of adheres to the “Three E’s,” of traffic management: Engineering, Education and Enforcement. He added “we have to work on the engineering portion of it” referring to the traffic signage which is scheduled to be improved soon.

K. Adjournment

Motion to adjourn the meeting was made by Vice Mayor Zemaitis
Second was made by Councilmember Cummings
All in favor
Meeting was adjourned at 7:45pm

December 15, 2021

A. Call to Order

B. Invocation and Pledge of Allegiance

C. Roll Call

Present were Councilmember Noble, Councilmember Cummings, Councilmember Roberts Vice Mayor Zemaitis (arrived during public comment), Mayor Howell, Town Manager Cavalli, Attorney Mora and Town Clerk Ana Cabezas.

D. Public Comment

Robert Arrison, 6048 45th Ave N

Asked if there is anything the council can do to improve the US Mail service in Kenneth City stating that sometimes he doesn't get his mail till after 8pm.

Public Comments Closed

E. Presentation: Forward Pinellas

Nousheen Rahman, Planning Analyst for Forward Pinellas provided an overview of the scope of services they provided to the Town. In summary, the services included a resident survey, analysis of local conditions, comparative analysis of other communities RV parking standards, and the deliverable (summary report and options for code amendments based on resident survey, local conditions analysis and council feedback). Rahman summarized their findings over a succession of several PowerPoint slides.

Rahman said, according to their *local conditions analysis*, driveway lengths are typically 40 feet, roadway widths range from 19 to 26 feet, average year built of single-family homes is 1961 and the most common decade-built of single-family homes is 1950.

Rahman said, according to their *comparative analysis of other communities*, size limitations of recreational vehicles ranged from 22 feet to 40 feet (including trailers or mounts). Other regulations included prohibiting grass parking entirely, allowing parking on front side, or rear yards with size limitations, prohibiting parking public right-of-way, alley, or areas accessible to the public and prohibiting the parking of recreational vehicles which displace parking intended for domestic vehicles.

Rahman said, exactly 300 people responded to the survey and that the results revealed an even "split" in opinions and perceptions with regards to the parking of recreational vehicles.

Rodney Chatman, Planning Division Manager for Forward Pinellas presented their recommendations "based on the survey, the November Workshop session, their comparative

analysis and based off of their professional opinion and experiences doing this kind of work.” Chatman said many of the Town’s codes and regulations are comparable to neighboring communities and that they are actually “somewhere in the middle” with regards to the Town’s currently allowed driveway length and width standards. Chatman said that the Town’s code enforcement mechanism being under the Law Enforcement was not common and not ideal. The Town Manager, Cavalli stated that this is no longer an issue as the Town Administration has hired a code enforcement officer and has relieved the Police Department of any code enforcement duties.

Chatman then presented options for the Town Council and Administration to consider.

Option 1: Make no changes to the current RV parking regulations.

- Continue to prohibit the grass parking of recreational vehicles in residential areas.
- Amend Article IV Driveway and Median Openings
- Increase the maximum width of driveways for single-family homes from 20 feet to 24 feet
- Increase the maximum width of driveways for duplexes from 24 feet to 28 feet
- Reduce the side setback for driveways from 5 feet to 3 feet

Option 2: Minor change to current RV parking regulations

- Continue to prohibit the grass parking of recreational vehicles in residential areas
- Amend the definition of a “driveway” to include turf block as an approved construction material type
 - ❖ Turf blocks are interlocking concrete or plastic cells filled with turf grass or low-maintenance groundcover

Option 3: Major change to current RV parking regulations

- Permit the grass parking of recreational vehicles in residential areas by removing all prohibitions from Chapter 54
- Amend the definition of a “driveway” to include turf block as an approved construction material type

Other code amendment options presented:

Civil Penalties

- Violations of Chapter 54 are currently considered noncriminal violations and residents can be assessed a civil penalty and fees
- Each day a violation occurs is considered a separate offense
- Law enforcement can issue a parking ticket in these situations

Other Strategies to Ensure Code Compliance

- Hire a Code Enforcement Officer who reports to the Town Manager
- Revise Sec. 54.115 Civil penalties
- Establish a Municipal Code Enforcement Board or;
- Establish a Special Magistrate

- Code standards can be crafted to encourage compliance within a reasonable timeframe before further action is warranted by the Code Enforcement Board or Special Magistrate

F. **Workshop/Discussion: Chapter 54 -Residential Parking & Vehicles**

Mayor Howell opened the floor to public comment.

Tim Shoby, 4702 Lake Charles Dr N

Shelby asked if there were any recommendations regarding recreational vehicle length and width allowance and also asked for clarification regarding what is meant by “set back.”

Chatman responded that the Town’s 30ft limitation is “right in the middle of what other communities are doing” that some town’s allow as small as 24ft and some as big as 40ft. He said he never came across any regulations “as far as the width.” He went on to define what he means by a set-back.

Councilmember Roberts asked Chatman if he’s ever driven through the Town at night. He responded, “only in the day.”

Michael Grose, 5547 45th Ave N

Commented that most of the information Forward Pinellas shared today was on the Town’s website. Grose also commented on the survey and later made comparison between the Town and the unincorporated Lealman area and asked presenters if they were sure they were in Kenneth City and not Lealman. Manager Cavalli responded that the researchers are aware of the boundaries of the Town.

Al Hrvatin, 6116 52nd Ave N

Commented on the impact of recreational vehicles on the property value of homes.

Rose Roberts, 6026 44th Ave N

Asked “is there a side that a boat or an RV can be parked on?” and “are they supposed to be parked near their driveways or they can park near their bedrooms?” The Town Attorney answered the question as it is outlined by the Code and Chapter 54.

Mayor Howell asked the Attorney if [it] would need to be parked behind a fence if on the side of your house. Attorney responded that it’s a complicated answer due to the very nuanced language of the code being “an if, then decision tree.”

Ken Nielson, 5921 46th Ave N

Commented he owns an RV and a boat, 42ft on top of the trailer. They are both stored at a storage lot in Largo however, he brings them home from time to time for maintenance and usage. He expressed concern about bringing his boat home overnight and not being in compliance with the code, he inquired about applying for a temporary permit. Mayor Howell

responded that this is a good idea.

Public Comment was closed

1. Presentation on Low Impact Development

Manager Cavalli shared a presentation on Low Impact Development.

G. Mayor/Council/Attorney/Manager Comments

Mayor Howell asked those present “why are we here.” A discussion followed.

Town Attorney Mora provided context regarding the context of Chapter 54 and advised the council on what they might consider with regards to amendments “if you wish to add or subtract from.” He mentioned the possible need to offer training on Chapter 54.

Councilmember Roberts stated concern over drivers parking on grass and the length of some of the recreational vehicles parked on the street. Councilmember Noble stated, “some things need to be changed” and she thanked Forward Pinellas for their special presentation and summary. Councilmember Cummings said he would like to see some steps taken to address the issue of size of Recreational Vehicle, saying it’s an issue of safety. There was further discussion regarding differentiating rules based on size of property and driveway.

Comment was opened to the public

Steve Wunderle, 4883 Lake Charles Dr N

Said he and others stayed or moved here to be able to park their recreational vehicles at their homes. He then said, “you altered the rules to make violators of the law.” He then said if you are going to enforce the rules on residential properties, then they need to be enforced everywhere including commercial property.

Mike Gross, 5547 45th Ave N

Stated he bought his house because of the 50ft driveway so he could park his boat at home. He said if your driveway can accommodate the vehicle while complying with the setback rules, then the size of the boat shouldn’t matter “if you have a big enough driveway.” He then said when he drives around Kenneth City, “there are cars parked on grass” and said he believes that rule should be enforced. Mr. Grose then said he was pleased with the presentation Forward Pinellas gave at this event.

Rob Arrison, 6048 45th Ave N

Said that he has been involved in these discussions for 2 years. He said these conversations started “because we wanted to improve the image of Kenneth City.” He said he has a neighbor with a large RV who never parks it for more than 2 days on his street and that “he is very responsible with it.” He then said that he is more concerned about the cars parked on grass.

Public Comment Closed

Vice Mayor Zemaitis stated she agrees that the primary concern is “if we’re going to clean up this town, the parking on the grass and the parking on the roads and blocking our streets is our primary issue.” She remarked the code currently supports enforcement of the prohibition and that we currently have a code enforcement officer that can begin enforcing the parking on grass prohibition “immediately.”

Attorney Mora cited the actual ordinance line that explicitly states:

Sec. 54-111, (1) *“Within the incorporated limits of the Town, except when necessary to avoid conflict with other traffic, or in compliance with law or the directions of a police or law enforcement officer or official traffic control device, no person shall:*
(j.) On the grass or soil in the front or side yard of a residential property;

Attorney Mora then went on to explain that previous enforcement efforts were delayed due to a number of reasons, including to allow time to modify Chapter 66 (Land Development Code) to accommodate and/or modify driveway substrate options.

Vice Mayor Zemaitis said that due to there being no movement towards amending Chapter 66, the Town would need to hold a workshop to discuss the Land Development Code. Mayor Howell said, “the takeaway for tonight is no parking on the grass.” He stated that the Town now has a Code Enforcement Officer who will be able to educate residents.

Councilmember Noble said she would like to know what defines an actual driveway. She said she would like to adopt the suggestions made by Forward Pinellas, to increase the size of driveways and to include the permeable driveway alternatives. Attorney Mora clarified that driveways are defined in Chapter 54. He read the definition and reiterated the connection and relevance of this definition to Chapter 66 and emphasized the need to “harmonize” this language with the language in Chapter 66. Randy then stated that the Council has brought up issues that are addressed by the code and concluded that he could make himself available for a presentation or a “white paper” with key points embedded in the code.

Councilmember Noble asked for further clarification regarding pervious surfaces and current code limitations on parking. Attorney Mora advised that this would be found in Chapter 66. Mayor Howell shared his thoughts on possible solutions. There was a discussion.

Mayor Howell said, “I think that what we should do is have the Town Manager give us all the different options and discuss it.” Mayor Howell said we don’t need to have more meetings until we come up with a presentation showing “this is what we want to change in Chapter 54.”

Councilmember Roberts asked a question regarding pervious substrate and limitations of its use. Councilmember Noble replied.

Councilmember Cummings commented that he would like the council to look into the current size allowances, temporary permits for boat parking, education and/or enforcement. “There

needs to be something in there notating that you have to be responsible, you can't be driving through other people's property."

Mayor Howell commented regarding parking issues behind the Old Time Pottery. Manager Cavalli said the Town is currently working on this issue. There were a few more comments from the public before Mayor Howell asked that we adjourn the meeting.

H. Adjournment

Councilmember Roberts motioned to adjourn the meeting.
Councilmember Cummings offered a second to the motion.
Meeting adjourned at 8:20

RESOLUTION NO. 2022-01

A RESOLUTION OF THE TOWN OF KENNETH CITY, FLORIDA AUTHORIZING THE HOLIDAY SCHEDULE AND OTHER OBSERVED DAYS FOR THE TOWN OF KENNETH CITY NON-REPRESENTED EMPLOYEES DURING CALENDAR YEAR 2022 AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, as required by the Town's Employee Policies and Operating Procedures, Holidays, the Town must designate the holidays to be observed during the upcoming calendar year for non-represented employees; and

WHEREAS, the Town Council wishes to approve the attached schedule for calendar year 2022.

NOW, THEREFORE, BE IT RESOLVED BY THE TOWN COUNCIL OF THE TOWN OF KENNETH CITY, FLORIDA.

SECTION 1. The Town Council of the Town of Kenneth City hereby approves the attached Town of Kenneth City schedule of observed holidays for the 2022 Calendar Year.

SECTION 2. This resolution shall take effect immediately upon its passage and adoption.

PASSED AND ADOPTED THIS ____ DAY OF _____, 2020.

Peter Cavalli, Town Manager

ATTEST:

Ana Cabezas, Town Clerk

Listed below are the holidays to be observed by the Town of Kenneth City for the year 2022:

<u>Holiday</u>	<u>Date Observed</u>
New Year's Day	Friday, December 31, 2021
Martin Luther King Jr. Day	Monday, January 17, 2022
President's Day	Monday, February 21, 2022
Memorial Day	Monday, May 30, 2022
Juneteenth -Observed	Monday, June 20, 2022
Independence Day	Monday, July 4, 2022
Labor Day	Monday, September 5, 2022
Veteran's Day	Friday, November 11, 2022
Thanksgiving Day and Friday after	Thursday/Friday, November 24, 25, 2022
Christmas Day -Observed	Monday, December 26, 2022

Resolution # 2022-02

A RESOLUTION OF THE TOWN OF KENNETH CITY SUPPORTING SAFE STREETS PINELLAS, A VISION ZERO EFFORT TO ELIMINATE TRAFFIC FATALITIES AND SERIOUS INJURIES ON THE PINELLAS TRANSPORTATION NETWORK

WHEREAS, two people are killed or seriously injured in traffic crashes every day in Pinellas County;

WHEREAS, minority and low-income communities face a disproportionate risk of serious traffic injuries and fatalities;

WHEREAS, the number of people dying and suffering serious injuries on our streets is a serious public health problem that necessitates public action;

WHEREAS, safe and reliable transportation is a priority for the Town of Kenneth City;

WHEREAS, Town of Kenneth City commits to working with Forward Pinellas and partner agencies to identify and implement projects and programs that reduce the potential for serious traffic injuries and fatalities by taking a safe systems approach; and

WHEREAS, Town of Kenneth City recognizes that traffic fatalities and serious injuries are preventable and not inevitable.

NOW, THEREFORE, BE IT RESOLVED by TOWN OF KENNETH CITY as follows:

1. Town of Kenneth City adopts a goal of Vision Zero – that no loss of life is acceptable on our streets – by 2045;
2. Town of Kenneth City will support the implementation of Safe Streets Pinellas, the Forward Pinellas Vision Zero Action Plan;
3. Town of Kenneth City will incorporate Vision Zero and Safe Systems into its plans, policies and department activities; and
4. Participate in the Safe Streets Pinellas Working Group to coordinate safety improvements, to advance local priorities that will make streets safer for the traveling public, and to access technical assistance and support in reducing fatal and serious injury crashes.

PASSED AND ADOPTED THIS ____ DAY OF _____, 2020.

Key Takeaways

There is support at the staff level for Safe Streets Pinellas

Limited financial and/or staff resources

Bureaucratic red tape is a barrier to accessing certain safety funding

Need more proof points (i.e., before/after studies)

Be willing to use different tools (i.e., technology, design concepts, etc.)

Commitment must be sustained over the long-term

TOWARDS ZERO TOGETHER

Reports and Supplements include FIR, Incident, and Offense Reports. Stats consist of those who are full time, assigned to light duty, and Reserve. Those who have additional assignments in patrol within the agency are reported in additional documents: Detective Gibson (CIS), Ofc Diaz Leon (Accreditation), Sgt Izralov (Community Policing/Code Compliance).

This report does NOT reflect all the work or activity completed by the members of this Agency. It provides a snapshot of activity in selected areas identified by month, per calendar year. The areas chosen are those which are often asked about or requested. Data Sources: TriTech CAD, Visinet, ACISS Web, PCSONET Custom Query, TRACS, and daily reports. Tabulated by EP and LB

Volunteer hours running total for the year are 934.5 hours. These hours are donated to the Town of Kenneth City by 6 volunteers and 5 Reserve Officers.

KCPD Community Policing & Code Compliance Overview

December, 2021

Sergeant Andy Izrailov, Supervisor, COMMUNITY POLICING

Two community policing events were held during the month of December. *Shop with a Cop*, an event during which local families were provided with local Target store gift cards and purchased much needed items during the Christmas season, was attended by many officers, Interim Chief Vieno, and several members of the town government. The second event in which the PD participated, the *Town Tree Lighting* ceremony, was conducted at Carl Schleck Park. The event was attended by numerous residents and was enjoyed by all.

An upcoming community policing event to look forward to in March is the *Police Department/Town Bike Rodeo and Festival*. More information to come.

Officers have been patrolling the town on mountain bikes, and the Polaris patrol vehicle, as time permits. This continues to be well received by Town residents. Further, the Polaris patrol vehicle was used to assist Town Council members in the distribution of the Town quarterly newsletter. Ragan, from "Feeding Pinellas" continues to attend Town community policing events and is a strong supporter of our community policing programs. Ragan was further given a tour of the Town on the Polaris patrol vehicle.

During the holiday season, several McDonald's gift cards were awarded to drivers complying with all state traffic laws by Officer Emely Cruz during traffic stops. It should be noted that Officer Emely Cruz has been instrumental in conducting the Town community policing events and selecting families for the *Shop with a Cop* and *Thanksgiving with the Kenneth City Police Department* events.

The Police Department continues to maintain Operation Medicine Cabinet, which allows residents to drop off old or unwanted prescription medication for safe

disposal. Officer Emely Cruz continues to do a great job, maintaining the drop off cabinet, keeping it emptied and packaging up the drugs for secure disposal.

The Police Department conducted several in-progress code compliance investigations. Code Officer David Wysong continues to conduct the majority of code investigations. Sgt. Andy Izrailov continues to assist Officer Wysong while he is becoming familiar with all Town code violation investigations.

Officers continued to conduct numerous Town business area patrols for ongoing homeless subject complaints. The goal still is to provide a safe alternative for the homeless subjects, such as Safe Harbor and Pinellas Hope, as well as other resources, to create a positive resolution for everyone. Officers continued to conduct directed patrol of all Town parks and Town Hall for suspicious activity/persons.

All Town officers have been conducting traffic stops to educate drivers on traffic infractions and traffic safety issues. Further, the Agency deterrent vehicle (ghost car) has been placed at numerous business/roadway locations throughout the Town to deter traffic violations/criminal activity. Town residents are supportive of the ghost car placement and we continue to receive positive feedback. Sergeant Luis Diaz conducted two traffic details during which vehicle traffic stops were conducted.

Further, officers on midnight shift placed *Third Watch* notices throughout the Town as they checked closed business locations after hours. Officers conducted *House Checks* as requested by homeowners whose property was unattended. Officers continue to be active in the community, by making citizen contacts, handing out police stickers, coloring books, and bicycle lights.
