

Vote 'Wonderful' At Kenneth City

More than a third of the 300 registered voters of Kenneth City had cast ballots by noon today in the city's first election since incorporation.

Balloting was described by Ross Guy, election clerk, as going along "wonderfully."

He said "we have been processing a steady stream of voters this morning."

Some 40 persons had cast ballots by 9 a.m. today. This count, Guy described, as "very good, considering the fact that most residents are retired persons who do not rise early."

By noon, however, there were over 100 registered voters who had cast ballots for the election of a mayor and four councilmen.

Running unopposed for the mayoralty post is David A. Sealey, who will succeed Harold Mellinger, appointed mayor by a floor vote at a civic meeting when the town was incorporated.

Six men and one woman seek

the four council seats. Incumbents are Miss Ruth Kahn and J. D. Bellows. Others seeking council seats are Martin Richardson, Charles Vassuer, Robert Turk, Oscar Buss and Harry Crane.

One voting machine is set up in the lone polling place at the Municipal building, 4600 58th St. N. The polling place will remain open until 7 o'clock tonight.
